Last Call Found

Last September I found a chronograph. I've run ads in the newsletter looking for

the owner, with no response. This is the last ad. Please call me and tell me what I found and where to reclaim your chrono.

Thanks,

Shotgun

We will begin our winter schedule the first Sunday in November. We will be open Thursdays 1:00 – 8:00 pm and Sundays 11:00 – 4:00 pm. Look forward to seeing our Winter shooters again. Start thinking about getting your teams together for the Winter Skeet and Winter Trap Leagues. It's just around the corner. Shooting in the winter is always challenging and a lot of fun.

Combat

Thursday night combat will start up in November. The first Thursday is November 2. It will run from 6:45 – 9:30 pm. Holsters are required and they must be some form of retention holster. No soft cloth like the Uncle Mikes will be allowed.

There will be supervised lines of fire during the evening with a plinking time towards the end of the evening.

There will be no shooting on Thursday, November 23, due to Thanksgiving.

Come on out for some informal shooting.

NRA Gun Safety Rules:

1. **Always keep the gun pointed in a safe direction.** A safe direction means that the gun is pointed so that even if it were to go off it would not cause injury or damage.
2. **Always keep your finger off the trigger until ready to shoot.** Rest your finger on the trigger guard or along the side of the gun until you are actually ready to fire.
3. **Always keep the gun unloaded until ready to use.** Immediately engage the safety device when picking up a gun and remove the magazine before opening the action and checking that the chamber is clear of ammunition.

Muzzleloader

Fellow muzzleloaders, the “Last Blast” will be here before we know it. It’s time now to get some practice in. We reserve Homer’s Range every Tuesday morning and shoot from 9:30 am until about 11:00 – 11:30 am. We have lots of paper targets and sometimes we set up a clanger or two to practice on and shoot at different distances from about 20 yds. to 50 yds. Every member is welcome to join us any Tuesday.

I’ll have more info about the “Last Blast” next month. We usually have either side of 50 shooters for this event, and all the shooters really look forward to the event.

So, join us Tuesday morning and keep your shooting eye tuned up. I should be there most Tuesday mornings. Also, in-line shooters, take off your scope and

shoot with us. You’re equally welcome to join us.

Winter Skeet League

Hello again skeet shooters. Before you know it, the golf courses will be closed, the hunting seasons will be winding down and the weather will turn into our favorite time of year...Winter Skeet League. Now’s the time to start getting your team together. The league will be run similar to last year. 3-man teams, 500 birds, handicap system, divisions based on the number of teams and shooting ability...Last year, we had close to 75 shooters in four divisions who braved the elements to shoot the league. That was one of the largest turnouts we’ve had in recent memory, at least since I’ve been running it. So, let’s keep the momentum going and make this year bigger and better. I’ll have more details in the December newsletter.

Keep a look out at the club for league info.

This year we'll be making extensive use of the BWSA Facebook page to keep shooters up to date. Just log onto Facebook and search for Blue Water Sportsman Association and hit the "like" button. This will get you the latest club news directly to your Facebook account. If you're having trouble with that, just get your kids or grandkids to help you out. They're way better at it than we are. So, spread the word. Get your neighbors, work buds, friends, and relatives to come out and give skeet a try, even if they've never shot before. Just tell them the worst that can happen is you get to spend a great day at the club, shooting guns, and hanging with your friends.
