## Annual Membership Meeting and Banquet

We had a great turn out for the meeting on January 15. Well over 200 members gathered in the clubhouse for comradery, food, and voting. We do apologize for running out of the side dishes. You guys can really eat! Thank you to all the members who stepped in and did a lot of the background work to keep it running smoothly. They helped with keeping food out, coffee being made, trash cans being emptied, the set up, and the clean up at the end of the night.

## Winter Skeet League

The first 100 birds have been shot and it looks like we have 23 teams for the

Winter Skeet League. Same as last year. We'll probably have 4 divisions again. This is good news because it spreads the handicaps around and makes the divisions more equal. Some single shooters were added to teams that needed another shooter, so if you don't know who your teammates are, ask around try and meet them. This league has some of the most friendly and helpful shooters in the area. For our new shooters, don't be afraid to ask for help. We're always glad to fill you in on the rules of the league and the club. I'm usually at the club on most shooting days so ask around for me. I'm looking forward to meeting you.

The league standings will be available on the big board at the club and on the new website (bwsa.club), usually a few days after the close of each 100 bird segment. League info will be available around the clubhouse, on the website and on Facebook. On busy days, don't get picky on what field you shoot. This causes delays. If your board is up, shoot the field that's open. Over the course of the year, it should even itself out.

Use your discretion when shooting. This is a friendly league. I want it to be fair to everyone without a lot of rules and regulations. Your next 100 birds need to be shot by COB on Sunday February 11<sup>th</sup>, so don't wait till the last minute to shoot your scores. See you at the club.

2<sup>nd</sup> Vice President

It was good to see all that came out for the annual banquet. As we move forward into spring I will be looking for some volunteers to assist with making some new benches. This will be to replace some of the ones that time has taken a toll on and also to prepare for opening of the new 50/100/200 yard range. The east gate has been sticking due to the ground freezing and at times can be difficult to open. Once the ground has thawed enough, we will get it fixed. I look forward to seeing all on the ranges.
