3 Gun/Combat

April 26 will be the last day for Thursday indoor evening shooting. We will be shooting the first Thursday of each month during the Summer starting on May 3rd.

It will be a 3 Gun practice utilizing pistol, rifle and shotgun, with each month stressing one of the 3 types of guns.

THE BLUE WATER NEWS

April 2018

You will shoot drills with individual firearms then shoot a 3 gun stage. This is a perfect opportunity for new shooters to try out the sport of 3 gun and for shooters to practice and perfect their skills.

Set up will begin at 6:30 pm. If you help in set up and tear down cost will be \$10, if you just come and shoot cost will be \$20.

Any questions feel free to contact me at codeeagle@hotmail.com

Bullseye

We will continue to shoot bullseye downstairs for the next few months. If you have ever thought of trying bullseye, come on out as all are welcome. 1st relay will start at 6:30 pm and the second at 8:00 pm.

Winter Skeet League

With the Winter Skeet League winding down, it's time to start planning on attending the end of the year banquet. The banquet is scheduled for Sat. April 28. Shooting games start at 3:00. Steak dinner at 6:00. This year we are having the meal fully catered. Prime rib is on the menu. Paper plates and utensils will be provided but bring your own plates and silverware if you desire. Bring your own beverages and some hors d'oeuvres to pass around if you wish. The trophy presentations will start at 7:00. Division champs can shoot their championship shoot off round any time between 3:00 and 6:00. I will do the scoring. Shoot off rules will be posted at the clubhouse and on the website under the Skeet League tab and the Facebook page.

There is only 1 week from the 5th 100 deadline and the banquet, so if your team is in the running for the overall championship shoot off, the final results will be posted in the clubhouse, on the Blue Water Sportsman's Association Facebook page and on the bwsa.club website under the skeet league tab by Tuesday April 24th.

2nd Vice President

It's spring and the weather is warming. No better time to get to the range for some shooting. We do ask as a reminder that everyone be respectful of the range and clean up after yourselves. There are trash cans on each range for your use. As always enjoy our range.

Hunters Education

Do you know a kid age 10 and up or an adult who are interested in hunting? If so, let them know we have 2 hunter education classes this year. May 12 & 13 and September 29 & 30. Both classes are 9:00 am – 5:00 pm. The cost is \$10.00 per student.

Registration for the May 12 & 13 class is in the clubhouse April 28 11:00 am – 1:00 pm. These classes fill up very quickly. You can also contact Barry Priestman to register (810) 388-5055.

This is a great class that teaches our future hunters to be ethical and safe. Our classes are different from other programs as we have clinics that the students rotate through to get lots of hands on learning instead of sitting in a classroom. They learn about traps, tree stands, shooting a shotgun, .22 rifle, crossbows, and lots of other useful skills.
