## President's Message

The 850 yard range. There is a lot of misinformation and rumors being spread around about this range. At this time, we will not be building an 850 yard range. There were too many promises put out to further that agenda without doing the proper research with the Township. Because of how our club is laid out and more importantly how our neighbors are situated around us, at this time it's not physically possible to build it. A long range is something we are still interested in, but first we have plenty of unfinished projects that need attention. While we are working on those we will be looking for ways to accomplish that goal in the future. So please be patient and stop the rumors.

Pete Galante  
President

## 3 Gun

We will be shooting the first Thursday of each month during the Summer starting on May 3rd.

It will be a 3 Gun practice utilizing pistol, rifle and shotgun, with each month stressing one of the 3 types of guns.

You will shoot drills with individual firearms then shoot a 3 Gun stage.

This is a perfect opportunity for new shooters to try out the sport of 3 Gun and for shooters to practice and perfect their skills.

Set up will begin at 6:30 pm. If you help in set up and tear down cost will be \$10, if you just come and shoot cost will be \$20.

Our next 3 Gun match will be May 19. You must preregister for our matches. You can find the link on our Facebook page 2 weeks before the match to register.

May 2018

Bullseye just finished up an NRA Winter league. Every competitor did great. Scores greatly improved since last year and even throughout the league this year. Scores for some jumped a hundred points. It made the competition exciting and frustrating at the same time, since everyone was getting so good. We want to give a big shout out to Gerry and Sam for all they did in setting up and helping wherever help was needed. Those two always stepped up to the plate. 1<sup>st</sup> place this year went to Mark O. with a score of 842 and an X count of 189. 2<sup>nd</sup> place was Ed A. with a score of 810 and X count of 133. 3<sup>rd</sup> was awarded to Reg N. with a score of 809 and X count of 64. Bullseye continues on Wednesday nights 6:30 pm on the indoor range until after Memorial Day, then we move outdoors. Once outdoors we will add service pistol to the Bullseye game. We hope to see some new faces join us. Keep an eye on the calendar for upcoming CMP and NRA matches.
