June 2018

The new Promatic 5 stand is up and running. It's open during regular shotgun hours of Tuesday and Thursdays 1:00 pm – 8:00 pm. We also have Skeet 3 and 5 stand open during our ATA shoots. Come out and give it a try. We change the layout every 3 weeks to challenge the shooters and keep the game interesting.

The BWSA shotgun summer games league will run June 5 – August 23 on any open shotgun day. We've changed things up this year and are running several events for the entire summer. You can participate in 1 event or all 5. It is entirely up to you. We will be offering Buddy Back Up, East meets West, 5 stand, Skeet 50/50/50 in either .410/28 or 12/20, and Skeet Doubles. The banquet for the summer games will be Saturday, August 25, 12:00 pm. The official rules for each game are available at the shotgun office. Grab a friend and come have some fun on our shotgun fields this summer.

Muzzleloader

There is still time to join one or both of our Summer Leagues. Our Rifle League shoots on June 12th and 26th. Our Pistol League shoots on June 5th and 19th. The shooters are all having a good time shooting black powder. If you don't have time to shoot the leagues, just come down and shoot with us when you can. See you on Homer's Range on Tuesdays from 3:00pm till 6:00pm.

Bullseye

We still shoot every Wednesday night so come on out and join us. We're always looking for new people interested in trying a new discipline. We are now outside shooting 25 and 50 yards. If it sounds like fun come out and join us.

Ed Allbaugh

2nd Vice President

Warm weather is here so come and enjoy our ranges. Plenty of opportunities to shoot different disciplines and meet new people while doing so. As always, please clean up after yourself when finished. We will be having some construction equipment moving though our ranges to complete the new 50/100/200 range. We are also repairing the road that goes back into bays 6 thru 11. Bay 6 and 7 will also get some drainage work done to help with the mud issues we have on those bays. Please be patient with us while the work is completed.

Ed Allbaugh

2nd VP
