

Special Edition Newsletter
September 2018

As summer is ending, I hope everyone has had a great time on the range and the opportunities BWSA has offered. There has been something for everyone and the next year will bring more improvements and new opportunities from shooting in competitions to just having fun plinking on one of our bays by yourself or with your family and friends.

Ed Allbaugh
2nd Vice President

Shotgun Department

At the September 10, 2018 Board of Director's meeting the board set up a committee of 3 Board of Directors members and asked for 3-4 representatives from the shotgun department. This committee will be meeting to assist in creating the future of the shotgun department. The first meeting will be on Monday, 24 September 2018, at 7:00 pm in the clubhouse. The goal is to help the department self-sustain so it is not relying on one person to run it all. This committee will present a plan to the Board of Directors at the next meeting on 8 October 2018 to achieve just that. If you would like to be a part of this committee email bluewatersportsmansassociation@gmail.com or call 810-364-9894 and leave a message no later than Saturday, 22 September 2018. Those who are on this committee should plan on attending weekly meetings for the next 3 weeks.

Annual Meeting and Board of Directors Election

If you are interested in running for one of the 5, 3-year term, Board of Director's seats this coming January, you need to submit

your name in writing to our club Secretary, Don Morgan by 8 October 2018. This can happen in person or by email at bluewatersportsmansassociation@gmail.com. You will also be required to submit a resume and appear before the Executive Committee. This meeting will occur at a time and date to be determined, but will take place between 10 October and 5 November 2018. Some of the things we would like to see in a candidate: participate and/or volunteer for multiple disciplines, willing to become a certified NRA Range Safety Officer, and able to communicate effectively. Additional duties will be to attend monthly Board of Director's meetings held the second Monday of every month and serve on committees as needed by the Board of Directors.

The 2nd Vice President seat is up for reelection for a 3-year term. The 2nd Vice President is in charge of all the grounds maintenance, serves on the Executive Board, attends the monthly Board of Director's meetings held on the second Monday of every month, and serves on committees as needed by the Board of Directors.

As always, the Board of Directors look forward to seeing everyone on the range enjoying our facilities.
